O R D E R

On May 31, 1991, the Commission received an application from Parksville Water District ("Parksville") seeking authority to impose a surcharge to finance improvements to its water storage facilities and approval of its proposed construction. In its application, Parksville requested a waiver from 807 KAR 5:001, Section 6 which requires financial exhibits to cover a 12-month period ending no later than 90 days prior to the date of the application. Parksville filed financial exhibits for calendar-year 1990. The Commission finds that more current financial information would not materially affect its determination. Therefore, being otherwise sufficiently advised, the Commission finds that Parksville's requested waiver should be granted.

IT IS THEREFORE ORDERED that Parksville's request for a waiver from the 90-day requirement of 807 KAR 5:001, Section 6, is hereby granted.

Done at Frankfort, Kentucky, this 21st day of June, 1991.
